Simple and stylish

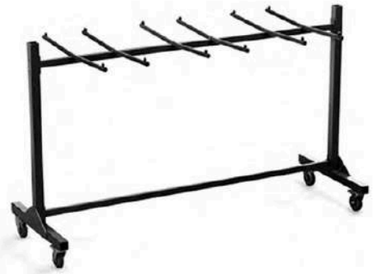

Sit embraced with fashion

Years of experience, cooperation with industrial physicists, and integration of ergonomic theory, make the synchronized tilting function so perfect. The unique chair curves help us sit well, best supporting and safeguarding the body.

Exquisite design

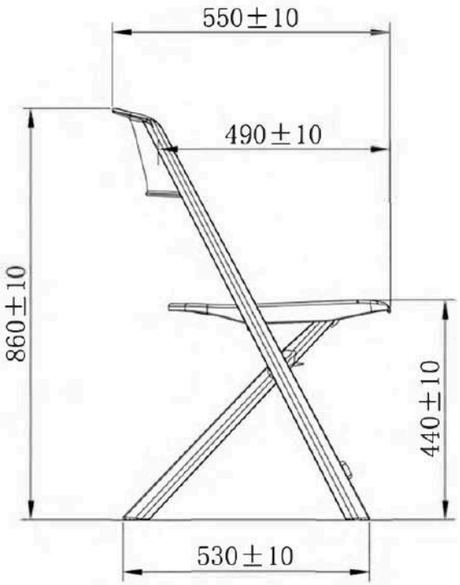

space saving,
fashionable and trendy

A compact and lightweight folding chair designed for easy portability. Its foldable design can be folded into a small, easy to transport, and easily loaded into the trunk of the car. The lines of this chair are simple and smooth, and the matte finish prevents scratches and fingerprints, providing a stylish and modern aesthetic. Perfect for picnics, outdoor concerts, or impromptu seating in outdoor cafes.
